From Principal's Desk

It is my great pleasure to say welcome to all to Raja Birendra Chandra College, Kandi, Murshidabad. The college is situated on the west bank of 'Shyamsagar' (Nachpukur), near 'Radhaballav Bari' of Rajbati premises in the heart of the Kandi town. It is hardly 5-7

minutes walking distance from Kandi Bus stand. The college has east facing look with natural beauty as well as calm and quiet academic atmosphere. The college has been enriched with well qualified professors since its journey from 1965. A large number of students who have passed out from this institution were well settled in various government and private sectors. It is one of the best institutions in the district of Murshidabad.

At present the college is offering various subjects in Arts stream (B.A.) and Commerce stream (B.Com.) for Major / Honours course under the University of Kalyani (NEP-2020). We have well qualified and motivated faculty members and experienced and cooperative ministerial staff. We also have well equipped laboratory facilities (for Geography & Physical Education). The college Library has sufficient text books with access to both the students and teachers. The college has one Canteen and one Gymnasium for the benefit of the students. All students are welcome to this institution for their better future. With best wishes-

Dr. Atish Chandra Ghosh
Principal
Raja Birendra Chandra College

Brief History of the College

Raja Birendra Chandra College, formerly known as Kandi Raj College of Commerce was established in the year 1965 to cater Commerce education to the students of Kandi subdivision in particular and students of adjoining area of Kandi subdivision. Raja Birendra Chandra College of Commerce was first affiliated to the University of Calcutta. However, in 1998 it came under the University of Kalyani. Late Kumar Jagadish Chandra Sinha, the then President of Kandi Raj College of commerce trust and educational endowment of the Kandi Raj family donated Rs. 26000/- (twenty-six thousand) on behalf of the said trust fund for the proposed Raja Birendra Chandra College of Commerce. In this way the dream of establishing a Commerce college came to reality. When the college started its journey, it had no building of its own. Classes were usually held in the premises of Kandi Raj College in the evening. But thanks to all out efforts of the college authority, especially Sri Monoranjan Ghosh (Ex Teacher-in-Charge of the College). The college was shifted to its present site in the year 1998. But sharp declining in the number of students at that time raised question regarding the sustainability of the college. On the other hand, there was long term demand from the students and newly appointed teachers to introduce Arts stream at the degree level. Keeping those things in mind and to make the college viable the then college authority introduced general Arts stream at the degree level from 1998. Honours courses (in Bengali, History, Sanskrit, English and Geography) were introduced later on. From then the college was renamed as Raja Birendra Chandra College and started functioning as a full-fledged college for Arts and Commerce in the day shift. It is needless to say that introduction of Arts stream is a new era in the history of the development of the college. At present, the number of students on roll is nearly 2000.

Our Vision:

Facilities for the Students

College Library:

In the field of higher education, the town Kandi is adorned by Raja Birendra

Chandra College. The library is the repository of knowledge of an institution. An academic library refers to a library which is situated in the premises of a higher educational institution and which serves the dual purposes of supporting the curriculum and research work. The Central Library of Raja Birendra Chandra College was established in the year 1965. It is situated on the 2nd floor. The students, teaching and non-

teaching staff of the college are facilitated by the accessibility to the central library for their requirements. The users use the books, journals, magazines, newspapers etc. as library resources. The no. of total books in the central library is 18844 (according to Accession Register). The automation process of the central library has already been initiated with the Koha software and we are hopeful of facilitating the users with Web OPAC service shortly. The entire library is under the surveillance of CCTV. The library will take a membership of UGC-NLIST consortium very shortly. Besides the syllabus related books, reference books are also available in the central library.

Special Collection:

We are also close to fulfilling our vision of creating a special collection on career guidance.

Library Services and Facilities:

- Lending Service
- Open Access Library
- Reading Room Service
- Day Book Issue for Staff
- Reference Service
- Internet Service
- Daily Newspaper for Students & Faculty

Gymnasium:

College has a fully equipped gymnasium along with treadmill, bicycle ergometer, parallel bar, chinning bar, bench press, leg press, chain pulley shoulder press, rowing, AB king pro, hamstring press, twister etc. Students can access gym during college hours.

ICT enabled class room:

In our college we have microphone enabled College Hall for various Co-curricular activities and programmes. College also provides an ICT classroom for progressive teaching learning-process which is equipped with laptop, screen, overhead projector etc.

Computer for students:

College Office and library are computerized for their all types of activities. College has broadband Internet facility in the office, and teachers' room. Apart from this, computer and internet facilities for students are available in library and the laboratory of Geography department.

Canteen & sufficient drinking water:

There are two separate canteens in Raja Birendra Chandra College- one for the students and other for the college staff. Both the canteens are equipped with well-spaced seating arrangements. A variety of nutritious and hygienically prepared foods are available in the canteens at reasonable prices. An ample supply of fresh drinking water is always available in the canteens.

Scholarships:

As per existing Government rules, various scholarships

from Government of West Bengal and Government of India like Swami Vivekananda Merit Cum Means Scholarship (SVMCM), Post Matric Scholarship for SC/ST students, Kanyasree Prakalpa, Aikyashree Prakalpa, National Scholarship (Central Sector Scheme of Scholarships for College and University Students) etc. are allotted among meritorious, poor, Scheduled Caste, Scheduled Tribe, Other Backward Classes and female students. The college takes positive steps to help students to get these scholarships.

Anti- Ragging:

As per the notification in regard to prevention and prohibition of ragging in the University and UGC act, the committee has been constituted to prohibit, prevent and eliminate the scourge of ragging including any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student, or indulging in unfair means or undisciplined activities by any student or students which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension. Thereof in any fresher or any other student or asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student, with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student, in all higher education institutions in the country, and thereby, to provide for the healthy development, physically and psychologically, to all students. To achieve these objectives a committee has been constituted. Thus, our motto is:

Zero Tolerance to Ragging!

A firm NO to ragging in any form!!

Other Facilities:

CCTV cameras have been installed on the college campus and in every classroom for the safety of the students and for conducting examinations transparently. Regular monitoring is done.
