- ❖ **Date of agreement and duration:** 03.04.2023, 5 Years
- ❖ **Purpose of MOU:**
  1. Disposal of waste products from the college
  2. Motivate college students to participate in related programmes of Municipality
  3. Providing placement to the students of the college in related field

### Activities Conducted:

Activities	Date of Activities	Venue	Number of students participated
Disposal of waste products from the college and other social activities.	10.04.2023	Raja Birendra Chandra College, Kandi	40

### ❖ Outcomes:

Through collaborative efforts, the MoU facilitated the successful disposal of waste products generated by the college, contributing to a cleaner and healthier environment within the college premises and the surrounding area.

The partnership encouraged and motivated college students to actively participate in various programs organised by the Municipality, fostering a sense of community involvement and civic responsibility among the student body.

Implementation of the MoU led to the adoption of improved waste disposal practices by the college, promoting sustainability and the environmental conservation efforts in alignment with the initiatives of Kandi Municipality.
